LED TRACK LIGHT SERIES

LED TRACKLIGHT

OVERVIEW

LED commercial track light, die-casting aluminum lamp body and good heat sink.

Juno or Halo adapter is available.

FEATURES

Body

Die-casting aluminum body.

LED Characteristics

COB chip ,CRI90, lens beam angel 15°/24°/36°/60°, higher lumen output. CCT range 3000K/4000K/5000K color temperature.

Dimming

100%-10% dimming capability. This fixture is compatible with most of LED TRIAC/ELV dimmers.

LED Driver

UL listed LED driver with 120-277V, 60Hz AC input.

Environment

- Suitable for damp locations.
- · Approved for direct contact with insulation.

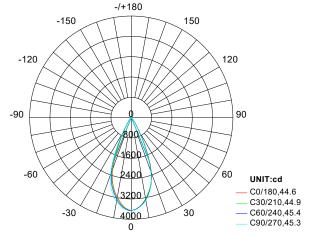

SPECIFICATIONS

0	rdering Mo	del Size	Input Voltage	Freyuency	Watt	Lumen	Efficiency	Color Temperature (CCT)	Color Rendering Index (CRI)	Beam Angle	Dimmable	Lifetime

INSTALLATION GUIDE

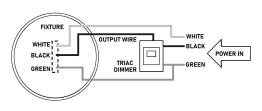

RISK OF ELECTRIC SHOCK

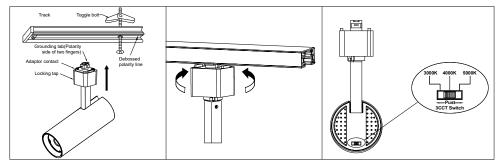

- · All electrical connections must be in accordance with local and National Electric code (N.E.C.) standards.
- · Obtains the service of a qualified electrician. **RISK OF FIRE**
- · Keep combustibles and other materials that may burn away from lights.
- · Do not operate fixture at temperature higher than 104°F.

Electrical Schematic Diagram

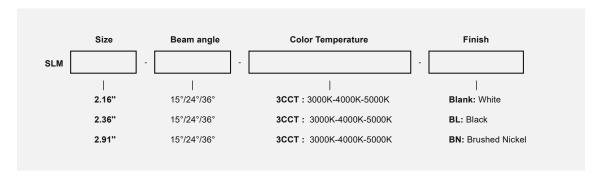

NOTICE: Dimming performance depends on dimmer, dimmer settings (for dimmers with brightness range adjustments), wiring methods, and the number of led fixtures (Total Power of Lights <80% of the Rated Power of the Dimmer).

Installation Steps:1. Pull down the locking tap and insert "Adaptor contact" into the slot in the track. 2.Rotate adaptor1/4 turn 90° to locked position.Note:The lamp holder of Grounding tab,polarity side with two pins must point to the track delossed polarity line. 3.3CCT(30K-40K-50K)selectable on the back side of the track head, you can switch the color temperature as you like,them adjust the angle for you need. 4.If need to remove to other position,depress the locking tap and turn 90°, remove to the position then install.

ORDERING GUIDE

* Cable control or unlimited tunable white is available, contact us for more options or OEM /ODM customization.
